Master Tap Class 10/16 7pm

I am thrilled to have Aaron coming in to share his love of tap dancing with all of you. As some of you know I was Aaron's first ever tap student and we both learned a lot from one another. Aaron performed in the Broadway production of Riverdance and helped to design SoDanco's Professional Tap Shoe with his buddy Derik Grant. His resume is extensive, just as his talent is. All interested write a check to Step Above Most for \$20 and put it in the payment box.

Activity of the Month

On Wednesday 10/31 we encourage you to be festive.....dress up in costume for your dance classes! Make sure to choose something you can dance in. Get creative and don't be afraid to use make-up to add to the effect. We cannot wait to see the costume.
